:: Find Your Spot

If you are not currently serving at Mountain View, we would highly encourage you to start! There are lots of ways to serve and God has uniquely gifted each one of us to serve as an important part of the local church body. Serving is also a great way to start meeting people and to get more deeply connected in community.

DISCUSSION & REFLECTION QUESTIONS:

- What stood out to you most from the message? Why?
- What promises has God made to you? Why is it important to regularly remember these promises?
- Are there times that you have doubted God's love, plan, or power? What circumstances or crises in your life contributed to this? How did that lack of faith manifest in your life?
- How does the gospel give you assurance, hope, and the power to believe God's love even in the midst of crisis and doubt?
- How does practically God want you to trust Him today?
